*Valken can help you get your shooting gallery ready for this Halloween season.*

# ECHO PAINTBALL SPECIAL

**Valken Echo** is the perfect paintball brand for your shooting gallery event. The Echo brand of paint is easy to clean up, environmentally approved, and most importantly, can be shot at a lower velocity for a more gentle impact, but will still break on target. The Echo paintball is designed to break on impact, but not inside your equipment.

**Using the Echo brand will keep both your customers and actors happy!**

#### Features:

- \* Shape : Perfectly round for accurate shots
- \* Shell : Bright colored, breaks at lower velocity
- \* Fill Color : Bright and visible
- \* Fill Density : Thin for easy clean up
- \* Environmentally approved, 100% PEG paintball
- \* Actor friendly
- \* 2000 paintballs per box

## Paintball Special

Echo Paintballs (2000 rounds)

Available In

- White Fill
- Orange Fill
- Yellow Fill

# 20 CASES - \$500

# SHOOTING BOOTH SAFETY MOUNTS

With our **SHOOTING BOOTH SAFETY MOUNT**, you can offer a safer shooting experience. The restricted movement will only allow your customers to shoot at the intended targets. This will give your gallery operators the opportunity to focus on making the overall experience more enjoyable for your customers.

**\$149.95** EACH

#### Features:

- \* Solid, sturdy, hard steel construction for durability
- \* Limited turning radius to restrict shooting areas
- \* Allows for vertical and horizontal movement
- \* Easy two-bolt gun mounting
- \* Secure mount design
